***Improving the quality  
of your life!***

***Tired of mailing us a payment every month? Don't!  
Instead ... Sign up for our new Auto-Pay Bank Draft or Visa&MasterCard program.***

We all want convenience.  
We all want to save time and money.

Blachly-Lane Electric Cooperative offers you all of that and more through our **Auto-Pay Bank Draft or Visa&MasterCard (V&MC) program.**

Our *Auto-Pay Bank Draft/V&MC* programs are convenient because your electric bill payment is automatically deducted from your checking or credit card account each month.

Our *Auto-Pay Bank Draft/V&MC* programs save you time. No more searching for that bill stub, the check book, or a pen. You can forget about finding a stamp and getting to the mail box. And no more lost or stolen payments.

With our automatic payment programs we'll take care of seeing to it that payment for your electric bill is withdrawn from your checking or credit card account on the **20th** of each month. This will also save you money because you'll be assured of our \$3 prompt payment credit each month that payment is automatically authorized by your bank or credit card. That's another \$36 each year you can spend on other things.

The *Auto-Pay Bank Draft/V&MC* programs take one billing cycle to begin the automatic payment process. Simply pay your account in full this month and, if you choose to participate in either of these programs, your next month's bill will be paid automatically. You'll still receive your electric bill statement each month so you will always know just how much

will be automatically deducted from your checking account or V&MC account. To sign up for *Auto-Pay*, simply complete the authorization form below and return it with your **voided check**. To sign up for V&MC, complete the authorization form and provide your credit card information. Then, sit back and let us take care of the rest.

**AUTO-PAY BANK DRAFT/VISA&MASTERCARD AUTHORIZATION FORM**

**Please complete all of the information, sign and return this form with your voided check to the co-op. Once enrolled, your electric bill will be paid automatically on the 20th of each month with the Auto-Pay Bank Draft program.**
