*Improving the quality
of your life!*

This is a program for Blachly-Lane members to finance energy efficiency measures including weatherization and heat pump installations in existing homes and manufactured homes. Blachly-Lane will buy down the interest rate 3 points (up to a \$5000 limit) on approved loans.

Steps:

One

Member contacts Blachly-Lane about weatherization or heat pump financing information.

Two

Blachly-Lane sends member program requirements and list of contractors.

Three

Member gets bids on work to be done and selects a contractor.

Four

Member provides copy of selected bid to Blachly-Lane for review.

Five

Member picks up credit application for financing at Blachly-Lane and submits to Pacific Continental Bank branch in Junction City at 285 West 6th Avenue.

Co-op will send PCB "Authorization of Work" form.

PACIFIC  CONTINENTAL BANK

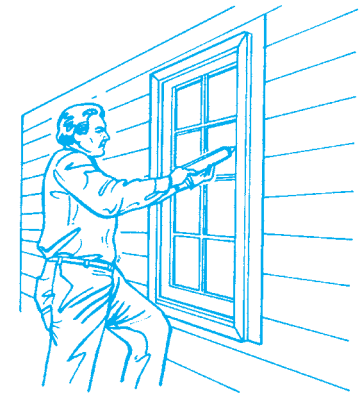

Six

Pacific Continental Bank and member will make loan arrangements.

Seven

Member will have energy efficiency measures installed and Blachly-Lane will inspect.

After inspection, Certificate of Completion of Work will be sent to Pacific Continental Bank authorizing payment.
