

# EARN A CREDIT WHEN YOU BUY ENERGY STAR® CFL'S

To make sure your compact fluorescent (CFL) bulb purchase qualifies, it must have the ENERGY STAR® label. You can get additional information from Blachly-Lane or the Energy Outlet (683-5060).

Each customer is eligible for two rebates up to \$6 each or actual cost. CFL must have an Energy Star® label to qualify

## WITH BLACHLY-LANE ENERGY EFFICIENCY IS IMPORTANT

Because they are constructed to different standards, the purchase price of energy efficient CFL's is higher than incandescent bulbs. To help offset this higher initial cost and to encourage you to buy energy-saving bulbs, Blachly-Lane will give you a credit on your electric account.

A credit will be applied to your electric account. **This offer is valid only for purchases made during the period of January 1 - September 30, 2003.
