

## **Residential Weatherization Program Contractors List**

Contractors on this list are independent business owners.

Blachly-Lane compiled this list for customer convenience only, *and does not endorse any specific contractor, nor does Blachly-Lane guarantee the quality of a contractor's work or provide any warranty on the work or products purchased from the contractor.* Customers are free to use contractors that are not on this list.

Blachly-Lane encourages customers to:

1. Request bids from more than one contractor when considering a project. Consider warranty information, pricing, and equipment when evaluating differences.
2. Ask potential contractors for references from prior customers and check them.
3. Visit the State of Oregon Construction Contractors Board (CCB) website (<http://www.oregon.gov/ccb>) to verify that each contractor you are considering is properly licensed. Consider the contractor's status with the CCB.

If you ever have concerns about your equipment:

1. Check your equipment and installation warranty information.
2. Call the installing contractor, or any dealer qualified to work on your brand of equipment.
